Introduction.

Experienced web developer and designer based in Barcelona, specializing in front-end and back-end development with React and Node.js. Excels in transforming designs into functional, responsive web applications, leveraging React for dynamic user interfaces and Node.js for robust server-side solutions. With a solid background in art direction and advertising, focuses on delivering innovative and efficient project solutions while ensuring seamless integration across all application layers.

Professional Experience/Carreer.

Mezcla Studio | Fullstack Web Developer (Jul 2020 - Feb 2024)

Developed full-stack applications using React and Node.js/Express with Context API for state management. Skilled in MongoDB and MySQL for database interactions and user authentication, delivering responsive web designs optimized for performance and cross-browser compatibility.

SCHOPDOG Restaurants | Web & Graphic Designer Sr (Oct 2014 - Oct 2017)

Developed in marketing graphics, social media design, print preparation, and web layout design, with expertise in HTML, CSS, Bootstrap, JavaScript, and MySQL database and API interaction.

Aji Marketing / Advertising | Art Director (Apr 2012 - Oct 2014)

Led art direction, layout design, illustration, and print preparation. Experience in web layout design, UX/UI, and coding with HTML, CSS, and JavaScript.

Pedro, Juan y Diego Advertising | Graphic Designer Jr (Jan 2011 - Dec 2011)

Developed print and marketing designs, trade marketing materials, and digital files for various platforms.

Pizza Hut | Graphic Designer Jr (Jul 2010 - Dec 2010)

Assisted in print and marketing design, trade marketing, and the preparation of digital files for campaigns and media platforms.
